

Year 1-List of Pull Pages

Pull Pages are critical for different reasons:

- They provide tangible evidence that parents are engaging in activities with their child. (Curriculum Standard #2 and #3)
- They provide a portfolio that can be shared with the kindergarten teacher when the child enters school.
- They can be used to create a brag book to be presented to parents when their child's time in HIPPY is completed.
- They provide coordinators with a way to easily track each child's progress over time to determine what additional aids and/or interventions are needed (i.e., enrichment activities, developmental assessment).

The table below (1-30) lists which page to pull (collect) each week, along with the primary skill development reflected in the specified page. Coordinators are urged to inform staff of which page to pull at the staff meeting held just prior to the week when the page will be collected.

Special note: Because the activities in Year 1 use more manipulatives to promote active learning, there are not as many paper activity sheets to use as Pull Pages. Based on recommendations from some of the pilot sites, we suggest home visitors document some activities by taking photos with a cell phone or tablet. This concept is a new and exciting use of technology that will allow sites to document activities using manipulatives rather than only pencil and paper activities. During the pilot process, we also found that taking photos increases the parent's/family's gratification and feelings of success.

For week 2, taking a photo is the suggested form of documentation for the Pull Page. Therefore, each site is urged to explore how to make this happen. If the site is unable to take, print out and include this picture in the child's folder, the site will not be penalized.

Sites may/should hand out the Special Activity Sheets (included) to parents to use as the designated Pull Pages for Week 2 (alternate) and Week 4 (required). Please download the sheet and make a copy for each parent.

Thank you for your cooperation. We look forward to your feedback on these new approaches!

WEEK	DOMAIN	PAGE #	ITEM	SKILL DEVELOPMENT
1	Literacy	7	Act. Sheet 1 – coloring of Spot/ child's drawing	Fine motor, imagination, use of colors
2	Science	12	Photo of body tracing	Self-awareness, fine motor, creativity
3	Math	13	Act. Sheet 3 -drawing of favorite hiding place	Imagination, drawing, fine motor
4	Math	7	Special Act. Sheet- drawing of cake with candles (see attached)	Imagination, creativity, fine motor
5	Literacy	9	Act. Sheet 1 – coloring of frog, child's drawing	Fine motor, memory, creativity, use of colors
6	Math	11	Act. Sheet1- glasses + ice cubes	1:1 correspondence, matching, fine motor
7	Math	9	Act. Sheet 2 – shapes	Shape recognition following directions, marking
8	Language	23	Act. Sheet 3- black dot picture	Counting, creativity, fine motor
9	Literacy	7	Act. Sheet 2 – dot chart	1:1 correspondence, fine motor
10	Science	15	Act. Sheet 3 – my five senses	Sensory discrimination, vocabulary

Please save this Activity Sheet and return to your home visitor.

Year 1: Week 4: Math: Activity Sheet – (Page 7)

A Birthday Cake

By: _____

WEEK	DOMAIN	PAGE #	ITEM	SKILL DEVELOPMENT
11	Literacy	5	Act. Sheet 1-record of child's responses	Memory, imagination, language
12	Science	13	Act. Sheet 2 – collage of food	Logical thinking, memory, fine motor
13	Math	9	Act. Sheet 2 – tracing of shapes, child's yellow drawing	Fine motor, letter recognition, creativity, imagination
14	Math	11	Act. Sheet 2 – blue collage picture	Classification, fine motor, creativity
15	Literacy	7	Act. Sheet 1 – picture of llama	Fine motor, creativity
16	Science	17	Act. Sheet 3 – matching pets with their homes	Logical thinking, matching, fine motor
17	Math	11	Act. Sheet 3 – pictures of up and down	Visual discrimination, fine motor
18	Language	21	Act. Sheet 5 – story sequencing	Logical thinking, fine motor
19	Literacy	5	Act. Sheet 1 – create a snowman	Fine motor, creativity
20	Science	17	Act. Sheet 3 – science recording sheet	Vocabulary, fine motor, observation

WEEK	DOMAIN	PAGE #	ITEM	SKILL DEVELOPMENT
21	Literacy	7	Act. Sheet 1 - picture of animals	Memory, visual discrimination, fine motor, creativity
22	Science	21	Act. Sheet 4 – pinwheel chart or photo of the child's pinwheel	Fine motor, creativity
23	Language	25	Act. Sheet 3 – gluing animals on picture	Fine motor, eye-hand coordination
24	Math	9	Act. Sheet 1– hand tracing	Fine motor, comparing and measuring, creativity
25	Literacy	7	Act. Sheet 1 – picture of bear	Fine motor, creativity
26	Science	19	Act. Sheet 3 – drawing of leaf	Fine motor, language
27	Literacy	7	Act. Sheet 1 - lullaby	Language, creative thinking
28	Math	11	Act. Sheet 2 – drawing of shapes	Fine motor, language, patterning
29	Literacy	5	Act. Sheet 1 – drawing of actions	Fine motor, creativity
30	Math	9	Act. Sheet 3 - patterns	Fine motor, patterning
