

HIPPY US: National Endorsement Recognition

Overview

HIPPY State Offices are a significant part of the endorsement process and have been given the opportunity to determine the best approach for sites under their leadership. If your state office opted for a state endorsement process, the following information does not apply to your site.

All Endorsed, Recognized and Stellar sites receive:

1. Digital certificate, congratulatory letter, and tailored "Ways to celebrate and promote your status as Endorsed" document
2. Program name listed on the newsletter and website
3. Recognition at the next National Conference
4. Notification to their congressional delegation of their status as endorsed
5. An official HUS dated graphic badge for their email signature
6. Designated ribbon on name badge at conference

****Below are additional recognition items each category would receive****
