

A HIPPY Family Literacy Project

Corduroy's Cross-Country Adventure

We're kicking off a fun, nationwide project inspired by the book *Corduroy* by Don Freeman! Families at HIPPY sites across the U.S. will read the book, create their own paper Corduroy, and send him to another HIPPY site to be hosted by another family

Group Meeting Activity

- Read *Corduroy* together
- Create your own traveling Corduroy bear
- Write a short intro about your family for his journey
- Pack Corduroy up to travel to a new HIPPY home

What Happens Next?

- Your paper Corduroy will visit a family at another HIPPY site.
- The host family will read with him, take pictures, and complete a travel journal.
- Corduroy will come back with a story of his adventure—for you to keep!
